

Dear HA Family:

Due to the rapid spread of the COVID-19 virus and the real possibility that the virus is already present in the Wiregrass, we see no reason to take a risk by sending our students back to school on Monday. Therefore, we are suspending school and all school-related activities beginning Monday, March 16th. As of now, we plan on classes resuming on Monday, April 6th.

If students or faculty need to retrieve anything from the school, we will be available to help you from 8:00 AM to 4:30 PM on Monday, March 16th. Just come to the front desk and one of us will help you get what you need. You will be receiving instructions from your Mrs. Boothe, Dr. Janney, and Mr. Selig about your academic work and timetable.

Please stay safe, and again, let us know of anyone in our community who contracts the virus. We would like to be able to assess, on an ongoing basis, the potential of returning to school on April 6th.

You can email me at phillippss@houstonacademy.com or call me at 334-350-0171 if you have any questions or concerns. Please stay safe, and God bless you all.

Dr. Scott D. Phillipps

Headmaster, Houston Academy
